

Hi Anael,

We are home safely after a pleasant weekend in Munchen and an uneventful flight home.

Thank you for your efforts on our behalf before and during our stay in Praha--both Kelly and I enjoyed meeting you and look forward to seeing you again in the future.

I used the Purchase card in Munchen for two items:

EUR 147,60 for twelve three-day travel passes (I reimbursed yu earlier for the cost of Kelly's travel pass)

EUR 807,30 for balance due at the 4YOU Hostel

I will give both receipts to Michael Rodrigues at the College of Design and return the purchase card to him as well.

Best,

Bruce Branson
