##### Hostelling International Membership Card

Regarding groups, a minimum of one leader must have an International Group Membership. If you do not have an International Group Membership Card, we will issue one when you arrive at the hostel. The price is DKK 200 and the card is valid for 1 year.

##### Check in

Keys are jointly handed over to the leader upon arrival. Upon arrival we ask that only one or two group leaders approach the reception for further information and check-in.

We do not have any luggage storage for big groups. But you are welcome to rent a room for luggage. Please remember to make the reservation in advance, if you already know that you are arriving early or leaving the city late in the evening. The receptions opening hours are from 7am until 1am "night"
