It is necessary to be 15 minutes before your sightseeing tour in the castle at the ticket office and to buy tickets, except visits at 9.00, 9.05 and 9.10 o'clock. If you come late, your reservation will be canceled and you will have to wait for free time. For reduced tickets it is required a valid identity document at the entrance.

Length and time of your sightseeing tour are established by the castle administration and there is not any possibility to change them.

The reservation fee is price for the service of reservation, it is not possible recoup the fee from the entrance fee.
